Case # 5:17-cv-06156-GAF

The following information was omitted from the original e-file sent on 12/29/17. Please add to the original filing and return a copy of the completed file to me by mail as the e-fax is in Ms Simpson's control at times due to the IAC/RJO shared space. This would further compromise my case and I would rather receive the file as unopened legal mail. If at all possible. Thank you,

(We are over populated so that is worse.

Holds a slot 1st Sunday & "Preaches" low attendance means nothing. Dozens of people who are wanting to come in can't.

Takes off early & uses his hours to do that on that Sunday.

Left his white shirt sgt job to make more money & he doesn't even get his paperwork for groups, or weekend events in

On 2/5/17 We had a Kiarios Reunion 94 of us. Not one call out docket for any of us. 4 Vics paperwork was not done so they couldn't get in. Months ago no Picture of #9 Kiarios

Weekend 3 mos ago has ever been made available for printing

He purposefully messes up and or prolongs inmates wedding (names furnished upon request)

Keeps certain offenders from working at the Rec/Hallway areas

Familiarity with certain offenders. — Julia Monahan, etc. one after her release Jennifer Lanning. Followed her on his motorcycle. Went to her church. He never attended before. Pulled her over when she was in her car. He followed her around on separate occasions. He met her in here. She had been in here twice he was attracted to her. Called her out for counseling in the Chapel when no one was there.

He persuaded others too. here. Names furnished upon request.

Admits he had a previous charge against a young male child but said it was a misunderstanding....

He's the same COI who prior to obtaining the Chaplain job ask his coworkers COI's (names upon request) "Man if you get to mace on of these little bitches let me do it, I've always wanted to do that!"

He has never married. And once before was ordered out of the Barber shop due to a shoe shine girl he spent too much time in there" daily having his shoes shinned by this one shoe shinner & also private "counseled" her in the chapel. She's broken & he used it to his advantage.

No one can locate his certification in ACCC, etc. or the Spiritual Care Association yet he counsels. On serious matters of; rape, death, dying, weddings etc. One on One to select offenders.

Manipulates records, alters attendance, inventory as he see fit
— etc —

if they ever IRRed him or had "issues" he didn't like.

Lets non-believers atheists work in the christian positions

Library worker, reception area, porter,

Chase's or eliminates certain women. excluding them for personal reasons. Verdina Miller, Cindy Young, Esther Wadley, Debra Tullis, Due to filing IRR's on him. As-pay backs.

Bars them from christian events & banquets. Sets limits Erases names from Sign-in sheets so attendance requirement he sets are 1 short from allowing offender to attend an event.

We lost huge events since he became chaplain:

Outdoor concerts christian groups & speakers

All Nighttime events christian plays or musicals & groups

No Christian (special) Christmas music or skits Cornerstone or anyone.

Groups are not allowed in who try to come.

* Fired Up ^{was amazing} & ^{changed so} ^{many women} Even from Staff recommendations lists available upon request.

When we suggest or let a VIC know theres an opening we are retaliated on. Such as the 1st Sunday opening he took when there was a Baptist minister from St Joseph. (no. who wanted the spot. He went crazy on some of us! IRR was filed.

He's had so many IRR's on him. This place could care less! Banquet #'s for our Members is so low he excludes all he can. Jesus is about the mass. Not exclusion Anyone that is a Christian General should be allowed to attend but since 2012 it's not been that way.

This chaplain says we have no church it's a building That the choir is His choir he will put who he wants in it. And he doesn't have to have a choir.

The so called agreement your response mentioned is over 2 years old. And no longer applies to the present situation. He also verbally said I could return since that agreement in 4/11/14 and then invented situations to keep me from being able to sign a new "agreement." The Warden (You) had received notes after notes, letters, kites and complaints about this staff member over and over since you arrived here in Sept of 2014 or there about so this facility is very aware of this staff members attitude and failure to do his job of Chaplain properly or correctly here at CCC. Then you wonder why these women keep returning. Even Ms Simpson regrets recommending him

SUPERINTENDENT RESPONSE

The Grievance Office has received your complaint regarding Chaplain Murphy. You state that your discussion with the Volunteer in Corrections (VIC) seeking to fill an available opening in the chapel schedule was a protected private and protected conversation between you and the VIC, and Chaplain Murphy forced you to tell him what the conversation was. You state that you have been removed from the choir three times for reasons you do not agree with. Lastly, you claim that other staff have witnessed Chaplain Murphy scream at you.

I have reviewed your complaint and all pertinent information relating to your complaint. I find that the Informal Resolution Request adequately addressed your issue. Regarding your assertion that staff have witnessed Chaplain Murphy scream at you; all staff you list as witnesses to this event deny that they witnessed any such event. IAC Simpson also refutes your claims as well.

SUPERINTENDENT RESPONSE

Your conversation with the VIC was not a private religious conversation; you were attempting to manipulate in order to get the VIC that you wanted to conduct the open service. Your conversation with the VIC created false expectations and caused them to seek out the Chaplain in order to try to obtain the open service, intentionally creating conflict and confusion. It is the responsibility of the Chaplain to find VIC's and as General Christian covers several denominations; they must have a variety of volunteers to cover more than one type of service. The Chaplain asked for input from offenders; he did not, however, give you or any other offender with authority to try to schedule services. You were specifically directed not to. Because your actions undermined the direction and duties of the Chaplain, you have been suspended from the choir for 6 months.

Choir membership comes with certain expectations, set forth in the choir agreement and as directed by the Chaplain. When you violated those expectations and the direction of the Chaplain, you were removed. You may reapply at the discretion of the Chaplain.

Grievance denied.

Although I have continued by my IRR process to show I continue to have ongoing issues with this staff members direct intent of discriminatory mistreatment concerning a vital part of my religious practices. Even though the fourteenth amendment to the constitution guarantees everyone "equal protection of the law" The "Chaplain" continues to invent non DOC forms with his own loopholes and forced coerciveness in otherwise normal admittance to a non elective, free time activity. I was threatened with an unwritten policy (one of many made up ones) where I had a brief discussion with a licenced clergy/VIC which in a court of law is deemed private and confidential every where else in the United States of America. Yet "Chaplain" Murphy forced me to tell him what I said to this licenced clergy and in fact did so with another offender and under direct threat of VIP status removal had this clergy and his wife write a letter(s) stating my protected conversation. Theret removed me from choir which is

volunteer and I had not broken any agreement I had attended all practices, all Services, and had perfect attendance and behavior as the chior director can conduce.

Yet he uses an old previously signed form non-DOC regulated saying he can keep me out of chior.

Yet others which I'm ready to name were ask directly the same exact question at in the ~~chape~~ church on Aug 7th. He stated: quote "Who would you like to see in this available service?"

Yet when I spoke about it or another offender back in April or so I was thrown out of the chior (for the third time I might add!) For what he ask 3-4 or more offenders on Aug 7th!

He discriminates me and harms me and continues to single me out.

Forces me to his rants and rude conduct and degenerate behavior which as I have previously provided and had staff witness this personally and in fact came to check on me after they personally came to one of his outbursts and abusive sessions of threats and rants towards me. I have a

right to exercise all parts of my religion
praise and worship as directed by God
in His Holy Bible and I have followed
all requirements just as all the other
chior members have except he refuses
to allow me to be in CCC's chior.

IRR LOG NUMBER: CCC-17-905

OFFENDER NAME: Young, Cindy #87556

No verifiable evidence was found during the investigation into your complaint to substantiate your claim that you were not given the make-up through no fault of your own. Documentation indicates you had every opportunity to retrieve the make-up because you were in the area and had picked up other fundraiser items being delivered during the same time frame. Policy IS9-1.2 Operation and Management of Offender Organizations clearly states, "If an offender is unable to pick up an item purchased as a fundraiser for any reason, the item will be disposed of and funds considered to be a donation. As such, no further action is needed.

RECOMMENDATION: IRR Denied.

I had a scheduled attorney call + a meeting right after (After the call) in Mr. Anderson's office, then when I went to my room to put up my legal work there was a situation regarding a sudden move, so I returned to Mr Anderson's office to get clarification on the situation at hand. But I went directly up to Canteen within a 10 min. window of our houses call out for Fundraiser Pick-up for my items. Others were still in canteen + most were returning, no other house had arrived yet. I came on work at 2:55 as usual.

Monday I returned to Canteen to pick up my item that the window was closed for on Friday.

I was told to "go see IAC Ms Simpson." She was there but not seeing anyone. So I returned on Tuesday. I was ask to sign up for a docket call. I did. Later that day while I was on the house Ms Simpson called me up to see her.

I was ask "What do you want?" I explained or tried to. I was cut off + said "you aren't getting it." I said "Really" I thought she was maybe teasing. She explained "You don't get them on the day you lose it." I tried to explain what had occurred. She cut me off. Much like she had done just weeks before when I was dropped from her dockets for SFTS and she told me I was not going to the Banquet in Aug. Then I had to write

Mrs. Herring to be included and finally I was allowed to attend and purchase a ticket.

So this time she said: "You're Beat" I repeated it. Mr. McDaniels watching & listening as she said "Yeah, Your Beat", "I don't do that for anyone." I said I had a good reason & no one was at the window. I had ~~an~~ actual appointments. She said

"There was somebody at the window". I said "no

Ms Simpson I promise there wasn't" She said

"You're not getting it, if I let you I'd have to let everyone and I don't." I knowing otherwise then

said "Yes you do I even have names of ones you have given their items too who just got out of the hole & I was at canteen trying to get my eye shadow" She said again "You're not getting it". So I left. I then on Wed afternoon

Saw Mr. Anderson we went over my time frame window of when I left after seeing him once my attorney call was completed and the issue I returned to his office about & my leaving to go to Fundraiser then my having to do my job detail during the next/last pickup for the day. He e-mailed Ms Simpson on my behalf, then later Ms. Herring due to the inability to resolve this with Ms Simpson.

I also feel that this could very well be a form

of "retailation" due to my bunkie/roommate being moved out of the room. Ms Simpson has been upset because of the CDV she wrote her Crystal German and how unfair that was and the harm it caused her children on a visit. I was thrown into all that and teasingly labled as Ms German's attorney on her IRR process against Ms Simpson. When in fact Ms German wrote & filed her IRR completely by herself. Because Ms Simpson threatened to take her out of the group. Also too. during the SFTS Banquet. Ms Simpson without any of our knowledge invited Chaplain Murphy to eat free at our Banquet when one of the women who decorated & set up was sent away because she could not purchase a ticket. I thought it up fair and several of us at this non-christian event was thrown into surprise that she would have him there when so many of us has experienced direct harm or unfairness by him in the spiritual position he currently holds. None of us were happy plus \$14.25 is an expensive price & he was not invited yet. She brought him without realizing what a negative effect he has on us as a coordinator of spiritual services.

So, I feel this eye make-up ordeal is in

direct or indirect "pay-back".

She has been very hard to get along with lately and has had issues with several of us. ~~XXXXXXXXXXXXXXXXXXXXXXXXXXXX~~

~~XXXXXXXXXX~~

Let me just stop there.

I would appreciate my fundraiser being given to me because I was at Fundraiser pickup + picked up 2 chicken wings and frozen vegetables.

The TV ch 3 states that if you have any appointments to pick up on a regular time to make arrangements or let her know. I was ~~not~~ on the docket for the attorney call and I showed her, Mr Anderson e-mailed her and nothing we have been able to arrange has been accepted so I have no other recourse but to file this IRR.

Thank you,

Cindy Young

SFTS Banquet

Aug 24th Murphy attended and ate a catered meal for free that the attended offenders paid for. \$14.00 each He ate for free.

Prior to that we had a Canteen Feast that was purchased out of our Canteen and all the food belonging to us and paid for by us was eaten by Murphy. Since when can a staff member or officer eat food that belongs to an offender?

Our yearly Christian Banquet is in April around Easter. So Murphy delayed it without telling us. Counted the busy time of softball, volleyball etc. So we would have low attendance numbers and hardly anyone would qualify according to those attendance records. By changing it to Dec. several VIC's couldn't attend due to the holiday conflicts. Then he picked and chose who would attend anyway Placing offenders on the list who didn't qualify + left others off who did

(2)

he made sure to dispose of sign-in sheets for instance: 7/30 had no sign-in sheet mandatory for VIC's to sign yet no VIC proof was found.

People who had visits on Sunday morning were not excused.

Others that were counted was the 1st Sunday of each month where he forced us to come hear him ~~Beach~~. He blocked that 1st Sunday and took open door + regular work hours off so he could get paid to preach when several different churches + groups wanted that spot. ~~Many~~ times he canceled or did a no show when weekend groups wanted to do the service.

We had 2 services this year one out door event that no-one signed in on for Bill Bass Ministries

He tried to force us to attend his monthly services 7/2, 8/6, 9/3, etc.

On 12/9/14 I filed an IER# CCC-14-770 4-Harassment. It was "investigated" by Ms Pfeifer and read by our warden who I believe Passed it to Ms Pfeifer. The Harassment and Bullying and profiling continues. I'm sure I now need to seek outside intervention as I spoke of in my previous IER's which continue to fail to correct the many on-going situations that Chaplain Murphy continues to single me out and combined with this facilities unwillingness to act on has now become irreconcilable therefore I will now seek an attorney with knowledge of my prisoners rights and constitutional law and ask him to help the christian population in a class action in stopping this facility and Chaplain" Murphy from disregarding our rights per CCC's own policy's starting with:

1. SOP States: All religious services be led by a non-prisoner religious leader OTHER than Staff. a vic status person from the outside Not the Chaplain. His duties are outlined in definition in 1517-1.1 Religious Spiritual Programming
2. For the past several months our church calander has been approved and signed off on with all

religious services. But Murphy comes in on the first Sunday service without approval and preaches or lets no service at all be held. No one has approved him to do this. He also takes off during the week so as to account or save his paid hours to come on Sundays and ~~pays~~ gets paid for forcing us against our will or know he is "preaching". He even says "He doesn't tell us because, "He thinks we wouldn't come.... We have a Primary VIC/church Cornerstone who wants to come and fill that opening left by the Blazes departure months ago. And our 3rd Sunday Pastor who some of us let know that 1st Sunday is now open and they could ask for it. When I did that in an open conversation one Sunday morning in passing I was called into Murphy's office and restricted from being in the Chior. This has been my 3rd unauthorised saction in a row to keep me out of the Chior. When there is no SOP or Correctional rules that allow for him to do this. I am allowed to speak to any VIC especially a licensed pastor my conversation with an actual pastor or clergy is private and

I am allowed to speak to any VIC especially a licensed pastor my conversation with an actual pastor or clergy is private and

(2)

confidential unless I am claiming harm to myself or others as an institutional risk -

Yet Mr Murphy went on a witch hunt interviewing me + Ms Tullis 7B to ask us and make us discuss our conversation with that pastor. He even went so far as to make the pastor and his wife write a letter which (he) Murphy then threatened me with and a CDV weeks later and said he almost didn't let me attend Kirios and will not let me attend the Rec Weekend. He also scrutinized my talk and criticised my level of faith and christian walk regarding the event that he was not any part of. Yet the Kirios International and Regional officers were at our last day to interview and observe and ask us about the "chaplain" due to his attempt to cancel his earlier tries and noted anger when he purposefully de-railed #7 until Kirios International's home office stepped in. Yet he was there to use what I said regard what I witnessed in our group and how touched I was by the weekend. He threw all I said in private with our group up to me in a "meeting" in his office.

The rest of this mans behavior is in my previously filed IRR's CCC 12-432, CCC-14-770, CCC-14-733, CCC, notes to the

warden, CCC's Investigation Units which I have copies of each one.

This mans job is to supervise all faiths + events and to operate within the guidelines set out by the Adult Correctional (Mo) rules Not to make up his own. Certainly not to preach!

He is annoying Not annointed!

He excludes countless women from events and venues or blocks us from praise + worship, choir, attending certian banquets of being a greeter, an usher, etc.

He comes into the prison before 8am and has his free breakfast and spends(uses) hours prior to any movement. Yet he rarely has open door hours or uses them to get his "work done he says and leaves early or comes in/clocks in to preach and gets paid for it! He refuses to hand out Bibles or visit regularly to Ad-seg which is one of his duties.

This is half of whats wrong the other things I will leave to my four attorneys If this cant be resolved this time. Whats really sad is that This man brags that he is the highest paid chaplain in the Missouri Prisons!

captain Murphy. I was told that this wasn't the job for me because I asked why monthly reports didn't match with the paperwork we had filed, (He said it wasn't for me) to understand and the process was how they've always done it.) I then asked for the proper paperwork to fill out for missing books that weren't on the shelf or documented as lost. (He said that wasn't important right now. We had other things to work on.) He then began downplaying my computer skills. I told ~~him~~ him I've been incarcerated for 7+ years and I just needed to be refreshed. Four days of

STAFF FINDINGS/RESPONSE

Your IRR has been received and reviewed. You indicate the Chaplain has discriminated against you by not allowing you to be involved in the choir, causing you to lose your porter job, not baptizing you, and not allowing you to participate in other group activities. You are requesting to be included in the things you are eligible for like everyone else. According to documentation, you are able to attend an event for which you qualify, have met the requirements, or have been chosen. It appears that your behaviors and/or failure to comply with instructions have resulted in you not being permitted to be involved in the activities you mention in your complaint. No verifiable information has been presented to substantiate your claims. It appears that policy D2-11.10 Staff Member Conduct is being adhered to. Therefore, no further action is warranted at this time.

RECOMMENDATION: IRR Denied.

OFFENDER GRIEVANCE/REQUEST

I've experienced a constant attitude of rudeness during this entire process. So much so that I was forced as the last recourse to write directly to the Warden herself. ~~PLEASE~~ Please attach all copies of those letters currently in Ms Feltons possession as a reflection and proof of my treatment during this IRR process. I have also not been able to resolve other issues because of the unprofessionalism occurring ^{with} staff on E-wing.

This has all occurred due to two offenders giving false information to Chaplain Murphy. And his ongoing vendetta against me, as I have outlined in depth in these two now three grievances. Ms Dooley as well.

Now its compiled with actual situations. I saw first hand with the staff on Ewing on 5 House & my current living conditions on this wing. I continue to ask for actions I've outlined and remedies I am seeking.

SUPERINTENDENT RESPONSE

The Grievance office has received your complaint in which you are requesting the conduct violation you received on September 12, 2014 for 19.1 Creating a Disturbance be dismissed and expunged from your record. you allege you received the above noted conduct violation as a result of two offenders who were covering up a situation they created prior to a REC Fellowship Weekend.

I have reviewed your complaint and all pertinent information and find documentation indicates on September 12, 2014 you approached Pat Ohnemus, Volunteer and began making accusatory statements concerning the Rec Program and the Chaplains office. Additionally, you were informing Roy Skinner, Volunteer that the Rec Participants were "hand picked" for the Rec Weekend. You had been warned on previous occasions concerning your behavior in the Chapel area. I find the violation was appropriately issued and you received due process on such with no noted errors.

Grievance denied.

○ Action Requested court. And for the two offenders who gave false information to Mr. Murphy to be reprimanded and to see why 2 offenders info was taken as creditable to begin with that caused the CDV! and removal of CDV.
Mr. Murphy wrote a CDV, 19.1 creating because I answered back, having been spoken to first by VIC's outside the chapel area in the hallway. (review Video)
The occurrence was originally generated by two offenders who had "rigged" the choosing of REC weekend attendees, they were fearful I would alert the VIC's, etc. of what they had done. I have IRR'ed this, as I was taken to ad-seg and consequently removed from the honor wing due to the incident and circumstances.

○ I went to church upon my release and was approached by the choir director who explained that I could not come to choir practice until I had spoken to Mr. Murphy. I then tried to do so, on several occasions, he told me out in the hallway in front of COI

Alexander that I would have to wait until Tue Oct 21st. I explained I felt I was being double sanctioned and I felt this was unfair.

○ I went to see him on this day. Was forced to wait 45 mins and the COI Dycert (*) stepped in and was told he could not be present yet IAC Pollard and IAC Doley were summoned by Mr. Murphy and

all offenders and workers were told to leave the area for 15 mins.

I was told I would not be coming back to the choir. That I broke my "contract"

in front
of his
witnesses

(I ask for a copy and was denied) he also said I had tried to force my way into the choir on three occasions. He said others (he would not name) told him that.

I was allowed to assure him that was not true and that I nearly told Sandra Jones that I still had not seen him. She is the director & I felt since I do not see her on a daily basis I should keep her informed. He would not say who gave him the false information.

I also know that another choir member was in the hole for creating & bullying for 70 days and was able to return back to the choir that same week, she was let out of the hole. So this is a direct aim at me, to keep me out of the choir. Just as he continues to keep me out of all events, Kiroios, REC weekends (8-10) the Christian Banquet, He removed me from the position of decorating for all Christian events, banquets and themed events.

14(2)
this has been on-going since 2011. I continue to file IRR's one that seems to have gotten lost by Mrs Richie on T-House (on the 2nd level stage...)

I have also been accused of attending Monday night services / bible studies to set with a friend (who he also does not like) and he wrote her up too.

Because she filed an IRR on the on-going issues (I wrote the new warden a detailed outline 18 pages) which I would now request be attached to this IRR. (Mr Carr Capt ^{as my witness})

It reflects Mr. Murphy got me moved from the south end of the chapel hallway where I was a porter, ^{for Captian Carr} simply because I could see him visiting (one on one with his select offenders) and see him visit one in the barber shop.

Captian Carr was my boss but was not even contacted

Then after some time he employed Mr Morgan to fire me from the captians office where I'd been "re-assigned" for quite awhile

this happened because I saw couples in the banquet room & chapel & Reva Francis

Keeping watch for the officers. This (all the while she was stealing supplies, etc) She's his porter too —

(I was her room mate at the time and saw first hand what she was stealing & selling from the chapel)
Was the same type of issues we had all previously endured before Chaplain Mercer was fired.

IAC Dooley & Chaplain Murphy did not approved of my alerting authority of this & he being fired. And the two of them continue to exclude me from IAC groups and events and anything church related to date. Now I've been removed. Yet Offender S. McDonald spent 70 days in the hole for Bullying and creating and was allowed to return the same week she was released from ad-seg / dis-seg and was not suspended. I need outside intervention or some one to look into this from an unbiased association or group, from the outside. If this is not able to be corrected and straightened out. This is unfair. And has been ongoing for well over 3½ years. I've done nothing to deserve or warrant this type of exclusion by Ms Dooley and Mr. Murphy. simply because I told on the former Chaplain and on Captian Dhol who was fired for the same type

(3)

of behavior. When does all this ever end? I also have not received any word from the Wardens office from my response to the CDV & this situation and its been 5 weeks now.

And now Im not allowed to sing in the chior. Sandra Jones approached me first at church and said she would like me back in the chior and that she had told the Chaplain that and she was told to tell me I need to see him first. I followed "his protacal" and kept Ms Jones our Chior director advised. I never attempted to re-join the group as he stated today at our meeting. That is a lie. Just as most of what Chaplain Murphy listens to from other inmates which got me the CDV to start with by the two offenders who covered (attempted to cover up) the choosing of attendees. I simply said when ask first what truly had occurred.

===== I have dropped numerous notes and signed requests to be baptisted and

none of us have had one request to do this.

None have been done since he has come on board to be the "chaplain."

During our brief meeting and in the presence of IAC Pollard/Simpson & Dooley Mr. Murphy was visibly angry and stated one of the reasons he would not allow me back into Chior was that I have told "things" to "others" that were lies. In reality there have been changes implemented and precautions now being taken to correct and monitor and hopefully stop all the vast array of seedy + disrespectful behavior and conduct in the chapel, office and adjoining areas of the Spiritual area all being addressed no doubt by the new Warden and my 18 page letter. So I'm being punished for his behavior.

All the more reason I again request that a copy of that letter be included in this IRR.

He is going to stop ostracizing me in the only church I have. Hopefully without outside intervention. So is Ms Dooley his co-partner in all of this and Stand for the Silent that IRR is to follow

4.

Now today Oct 22, 2014 as I file this I feel that Ms. Felton the Fum and my caseworker Mr. Anderson are upset by the information in the IRR I filed two weeks ago over all this.

As another incident has now occurred I'm not exactly sure but there is some type of upset that or when I was moved here off the honor wing because of all this, this wing was filthy and I expressed concern for my living environment and wrote on the dorm council questions I was then confronted days later by two officers and I told them the same and also that I was helping the dorm tenders and had no problem cleaning.

Maybe that's where all this upset is coming from, I'm not sure.

But it's all stemmed from this CDV from Mr. Murphy. I'd still be on 7-B I did not do anything to those VIC's unappropriately or out of line per policy. I simply spoke a response to their questions as to why I wasn't on the

Rec Weekend. Two offenders gave false information added to the fact that Mr. Murphy was looking for a way to banish me further from the church and church events and activities due to a grudge from my part in the investigation of Kent Mercer. Who was caught with an offender in the locked chapel. Ms Dooley & Mr Murphy have joined forces to banish me from anything they are in control of, to "teach me a lesson" + to keep me from reporting what they are currently allowing their choice group, "click" offenders. That I have exposed numerous times and will continue to.

And now it seems that because I want a certain standard of clean on or where ever I live its a problem as well and Im not certian what I could do other than my only right to fill IRR's as these situations unfold.
